

CURL CURL A.S.C. INC PRESENTATION - 2020

PRESIDENT'S WELCOME

This 2019/2020 season, CCASC had 76 members.

We had a reasonably good season with only a couple of storm and high tide days and we almost completed the season except for the final week when social isolation commenced.

Several CCASC members returned to compete at WASA district events. They were James Brown, Jakob Brown and Caitlin Potter. These swimmers gained a couple of first places and some second and third places against strong competition from the other clubs in the district.

Congratulations also to Charli Brown for winning a prestigious swimming scholarship to Arizona State university.

Thank you to all the volunteer time keepers and officials, particularly to Val and Bernadette and their occasional helpers who keep the canteen running smoothly. Also thanks to Martin Brannan Snr and Ian Church our marshalling and starting officials, who keep the events running smoothly each Saturday

Big thanks to Cathie and Matt Fuller who have again organised the trophies for this year's online presentation meeting. A job at which they are always hugely successful.

For the coming 2020/2021 season the operation of the club will be a bit different due to the COVID-19 restrictions that are in place. All members will be sent complete information just before the start of the season. The restrictions are also the reason that this year's presentation was held on line via ZOOM. Winners trophies will be available on the first swim day in October.

To keep up to date visit the club web site at www.curlcurlswimming.org.au
